

RICHARD SIBERRY QC

ARBITRATION CV

Richard Siberry QC has over 25 years' experience as an arbitrator in most areas of commercial arbitration. Now practising exclusively as an arbitrator, he sits as chairman, sole arbitrator, or a party-appointed or nominated arbitrator in LCIA, ICC, UNCITRAL, LMAA, SCC and *ad hoc* arbitration tribunals. He has also conducted an Expert Determination in a gas pricing dispute, and has sat as chairman of a Lloyd's Disciplinary Tribunal.

Within the last few years, he has acted as arbitrator in many major arbitrations in oil and gas and other energy-related disputes, in telecommunications, satellite and other technology disputes, and in insurance, banking, shipping, and shipping-related disputes. His appointments have included the following:

- Chairman of an LCIA arbitral tribunal in an arbitration concerning gas pricing under a long-term gas sale contract;
- Chairman of an LCIA arbitral tribunal in a dispute under a long-term coal supply contract;
- Chairman of an LCIA arbitral tribunal in a dispute concerning the interpretation of an electricity supply agreement;
- Chairman of an LCIA arbitral tribunal in a dispute concerning the modification of an FPSO vessel;
- Chairman of a LCIA arbitral tribunal in a dispute concerning alleged breaches of warranty under a share sale agreement relating to digital pay TV;
- Chairman of an ICC arbitral tribunal in a dispute concerning allegations of force majeure in respect of reductions/interruptions in supply under a long-term gas sales agreement;
- Chairman of an ICC arbitral tribunal in an arbitration involving telecommunications licenses in one of the former Soviet republics;
- Chairman of an ICC arbitral tribunal in an arbitration under a shareholders' agreement relating to venture capital investment in a property development company;
- Chairman of an ICC arbitral tribunal in a dispute concerning subsea electricity supply cables;

- Chairman of an ICC arbitral tribunal in a dispute involving the effect of the security situation in Yemen on the parties' contractual arrangements;
- Chairman of an international arbitral tribunal in an *ad hoc* arbitration involving a major oil company and environmental pollution and clean-up costs;
- Chairman of international arbitral tribunals in several disputes concerning product liability and related insurances, including disputes under Bermuda Form insurance contracts;
- Chairman of an SCC arbitral tribunal in a dispute under a contract for the provision of seismic and related services in connection with onshore oil exploration;
- Chairman, or party-appointed arbitrator, in numerous shipbuilding disputes involving issues of alleged late delivery, cancellation, claims for payment, or repayment, of installments of the purchase price, claims under repayment and performance guarantees, warranty claims, and issues arising as a result of the imposition of Iranian sanctions;
- Chairman, sole arbitrator, and party-appointed arbitrator in numerous LMAA and other shipping arbitrations involving a wide range of bareboat, time and voyage charterparty and contract of affreightment disputes, and ship sale disputes;
- Sole arbitrator in an LCIA arbitration concerning guarantee claims in connection with the financing of a major construction project in Russia;
- Sole arbitrator in an LCIA arbitration involving contracts for the sale of steel;
- Sole arbitrator in an ICC arbitration involving the construction and delivery of an oil rig;
